

# LIVE VIRTUAL EVENT FIVE P'S

© Regier Educational Services [www.regiereducation.com](http://www.regiereducation.com)

## Five Navigation Stops For A Successful Live Online Learning Event

### PROMO

Include links, information, expectations, and bite size learning tips. Ensure that people know how to attend the learning event.

### PREPARED

Ensure that people don't drop off before the event, by understanding how to join and participate. Especially if they are new to online learning spaces.

### PRELUDE

Design your learning event to include a warm welcome and an intentional beginning! This includes icebreakers and introductions.

### PERSONALITY

Your tone of voice, energy, eye contact (looking at the camera), hand movements and smile: Draw people in and keep them interested in your content.

### PROMISE

Do you promise to design your learning event to be engaging & interactive? Learn how you can implement all these tips & more through a five-day challenge (course). Link below.
